To: Haruki Saito <m211039@fmu.ac.jp>

Dear Haruki Saito,

Your manuscript "How Outcome Definition Changes Ecological Inference in Prescription-Based Epidemiology: A Natural Experiment" has been successfully submitted and is being delivered to the Editorial Office of *Pharmacoepidemiology and Drug Safety* for consideration.

You will receive a follow-up email with further instructions from the journal editorial office. That message will confirm that the editorial office has received your submission.

Thank you for submitting your manuscript to *Pharmacoepidemiology and Drug Safety*.

Sincerely,
The Editorial Staff at Pharmacoepidemiology and Drug Safety

By submitting a manuscript to or reviewing for this publication, your name, email address, and affiliation, and other contact details the publication might require, will be used for the regular operations of the publication, including, when necessary, sharing with the publisher (Wiley) and partners for production and publication. The publication and the publisher recognize the importance of protecting the personal information collected from users in the operation of these services and have practices in place to ensure that steps are taken to maintain the security, integrity, and privacy of the personal data collected and processed. You can learn more by reading our [data protection policy](#). In case you don't want to be contacted by this publication again, please send an email to pds@wiley.com.
